

Dalgety Bay Community Woodlands Group

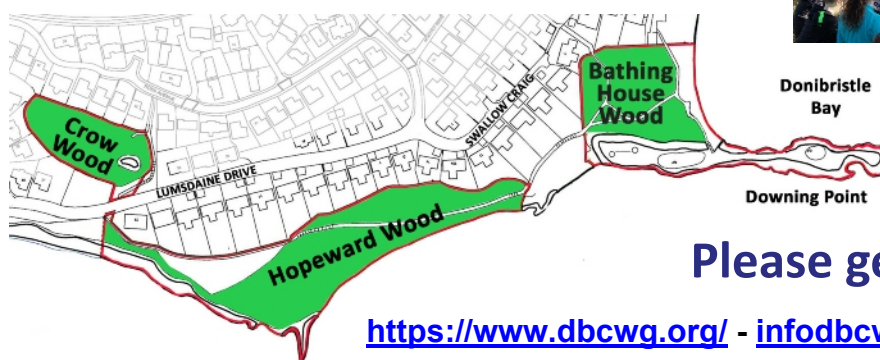

needs YOU !

**Can you spare a few hours a month?
DBCWG urgently needs new committee members to
run the group. If you think you could help in any way
please get in touch.**

**A rewarding experience awaits you to be part of a group
that has done so much for this part of Dalgety Bay.**

Dalgety Bay Community Woodlands Group looks after 3 woodlands along the Dalgety Bay coast line on behalf of the community council. It manages the woods to improve biodiversity and create an enjoyable and peaceful place for the community. We organize work parties within the woods, manage a blog on our website, engage the local schools to encourage a love of the outdoors in our youth, uncover history, raise money to support the group's activities, and file annual charity accounts. The results are a rich ecosystem along the coast supporting a multitude of wildlife from butterflies and bees to birds, bats and deer. The new path provides an excellent place of tranquility amongst our busy lives. If you would like to get involved in keeping this coastline beautiful, **please get in touch as soon as you can.**
