## NOTABLE EVENTS AND HAPPENINGS

11th December  
Dalgety Bay Christmas Fair

Dear Member

Like perhaps many of you, I am reflecting on how time passes quickly. We are at that time of the year where we are only a few weeks away from Christmas. And it seems like there is light at the end of the tunnel as the current pandemic restrictions are slowly easing. Despite the challenging times we have faced with Covid-19, our community continues to pull together with individuals and groups selflessly working to help others and work back towards the “new normal”. Myself and my board colleagues are humbled and inspired by those in our community who take steps every day to help others.

With this in mind, I would like to ask for your help to make the Dalgety Bay Christmas Fair a truly special event. As I mentioned in my previous newsletter, the Trust has been working with the Gala Team, the Parish Church and Forth Bridges Rotary to host the Christmas fair on 11th December at the Parish Church and surrounding buildings/area.

Most of the stalls and entertainment events have been confirmed and we are looking forward to an exciting day.

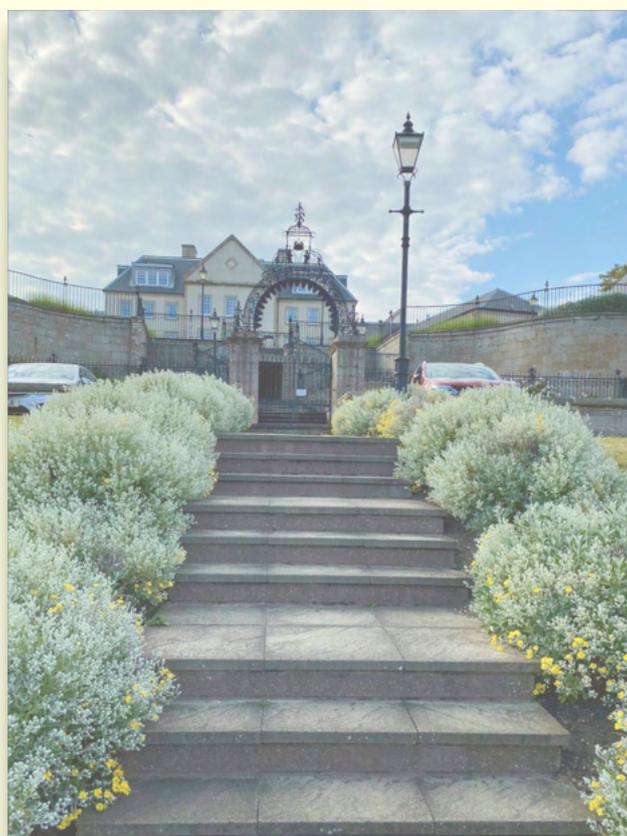

The Trust will be hosting a Tombola and Raffle on the day and whilst it will be great to see as many of our members at the event as possible, we would also ask you whether you would be able to donate any suitable items for the raffle/tombola – we are specifically looking for unwanted gift sets, wines, spirits and confectionary. All proceeds from the event will go towards future community projects, so this is a great way of directly benefitting the community.

If you can donate, please get in touch using the above email address and one of the team will contact you to arrange collection. Thank you in advance

There is still time to get your copy of the 2022 community calendar. This is a collection of pictures taken by local photographers and is another great way of supporting the community. Great value too at only £6 each, delivered to your door!

Finally, you can keep up to date with the work of the Trust through our [Facebook](#) pages and our [website](#). To be truly representative, we want the Trust to have the widest possible reach within our community. We want to grow our membership and supporters, so please help us by letting your family and friends know about the Trust, it is simple and free to join, our membership form can be found [here](#). As always, I'm keen to hear the views and thoughts of our members, please feel free to contact me directly at the above email address.
